VI Management Statement

Arun Jain, Chairman and Managing Director, Intellect Design Arena Limited said, "This quarter has been eventful with winning transformational deals, product launches and strategic leadership additions. However, a few deals with UK based banks have been deferred due to Brexit. With a healthy pipeline, I am confident that we will achieve our set annual revenue guidance in the range of Rs. 990 cr to Rs. 1020 crore for this financial year."

S Swaminathan, Chief Financial Officer, Intellect Design Arena Limited, said, "We would have preferred Q1 to start on a slightly higher note. This quarter is not a representative quarter for performance. However, it is vital to keep in mind that, given the nature of the business, this is an Annual and not a quarterly game. We understand various levers of costs management for a product business and our cost has now stabilized and are perfectly predictable."
