REPORT

OF THE STATUTORY AUDITORS TO THE GENERAL MEETING AS AT 31 MARCH 2022

Report of the statutory auditors on the limited statutory examination to the general meeting of Intellect Design Arena SA, Neuchâtel

As statutory auditors, we have examined the financial statements (balance sheet, income statement and notes) of Intellect Design Arena SA for the year ended 31st March 2022.

These financial statements are the responsibility of the board of directors. Our responsibility is to perform a limited statutory examination on these financial statements. We confirm that we meet the licensing and independence requirements as stipulated by Swiss law.

We conducted our examination in accordance with the Swiss Standard on the Limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the financial statements. A limited statutory examination consists primarily of inquiries of company personnel and analytical procedures as well as detailed tests of company documents as considered necessary in the circumstances. However, the testing of operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the financial statements and the proposed appropriation of available earnings do not comply with Swiss law and the company's articles of incorporation.

We draw your attention to section 4 in the notes to the financial statements which indicates that a tax issue could arise if the loans to group companies are not reduced significantly. We had already raised this issue with management during the audit of the financial statements for the year ended 31st March 2022.
