

Leading UAE Bank Partners with Intellect to Revolutionise Corporate Banking Landscape with Composable eMACH.ai Architecture

Advancing the bank's vision of becoming an innovation-led financial institution through a next-generation transaction banking platform built for agility, scale, and customer-centric growth.

Dubai (UAE), July 23, 2026: [Intellect Design Arena Ltd.](#), a global leader in AI-First, enterprise-grade financial technology, today announced that a leading Sharjah-based financial institution in UAE driving regional economic growth, has officially signed a strategic partnership with Intellect to completely modernise its corporate banking value proposition. The transformation will replace product-centric legacy silos with a unified, digital-first transaction banking experience designed specifically to scale corporate operations across the region.

Through this collaboration, the bank will deploy Intellect's comprehensive front-to-back transactional banking framework. The future-ready implementation includes **end-to-end Digital Onboarding, advanced Cash Management (CBX), Virtual Account Management (VAM), Collections, and Liquidity Management**. Built on composable, microservices-based eMACH.ai architecture, this infrastructure enables the bank to capture sustainable liabilities and significantly accelerate year-on-year corporate portfolio growth.

The transformation will help the bank deliver a seamless digital experience for corporate clients while strengthening its ability to support the UAE's rapidly evolving business ecosystem.

Manish Maakan, Group Chief Revenue Officer and CEO - Wholesale Banking, Intellect Design Arena Ltd., commented, *"This partnership reflects a fundamental shift in how banks are reimagining corporate banking for the next decade. Today's leading financial institutions are moving beyond digitising existing processes to building intelligent, composable platforms that continuously adapt to evolving customer expectations and business opportunities. We are proud to partner with one of the UAE's leading financial institutions as it transforms its transaction banking capabilities into a strategic growth engine, enabling greater agility, deeper client relationships, and sustainable value creation for businesses across the region."*

About Intellect Design Arena Limited

Intellect Design Arena Ltd is a global leader in AI-First, enterprise-grade financial technology, architected from first principles to deliver measurable business impact at scale. With three decades of domain expertise, Intellect delivers composable, intelligent platforms across Wholesale Banking, Consumer Banking, Central Banking, Wealth, Capital Markets, Treasury, Insurance and Digital Technology for Commerce.
