

eMACH.ai Powered Wealth Qube by IntellectAI Wins Coveted 'Best WealthTech Solution – Overall' at Global Private Banker Awards 2024

Recognised for AI Innovation, Customer-Centric Approach and Setting New Standards in the Industry

Chennai, India, March 14, 2024 - [IntellectAI](#), the WealthTech and Insurtech of [Intellect Design Arena](#) driven by advanced AI-led solutions, has been chosen as the winner in the 'Best WealthTech Solution – Overall' category at the Global Private Banker Awards. This recognition is a testament to the innovative prowess and customer-centric approach embodied by IntellectAI's flagship wealth management solution, Wealth Qube.

Wealth Qube is driven by [eMACH.ai](#) architecture (Microservices based, API first, Cloud-ready and Headless powered by Artificial intelligence), making it a cutting-edge solution that facilitates quick and easy adoption of wealth management functionalities. The platform is highlighted for its AI-driven tools, which are structured around the pillars of hyper-personalisation, hyper-automation, and modern customer experience, setting a new standard in the wealth management domain.

Insights from the award entries revealed the significant strides technology companies are making in developing superior platforms and systems. These advancements enable private banks and family offices to achieve operational efficiencies, streamlined execution, and the customisation needed to cater to diverse investment mandates. Wealth Qube, with its advanced AI and data capabilities, is at the forefront of these innovations, revolutionising how wealth management services are delivered and experienced.

Banesh Prabhu, CEO of IntellectAI, said, "We are immensely proud to receive this accolade from Global Private Banker, a respected authority in the financial media realm. This award solidifies our leadership in wealth management innovation and underscores our dedication to empowering banks and wealth firms with hyper-personalised and effective customer experiences."

Banesh further emphasised the importance of integrating AI and data analytics throughout the customer journey. "Our solution's ability to personalise customer engagements, optimise portfolios proactively, streamline operations, enhance client retention, and expand market presence is pivotal. We ensure our platforms are agile enough to adapt to current trends while meeting the stringent regulatory standards of today's dynamic market."

IntellectAI's Wealth Qube is setting new benchmarks in the wealth management industry, driven by its innovative use of technology and commitment to delivering exceptional value to clients. This award from Global Private Banker is recognition of IntellectAI's vision and execution in creating a future-ready, client-focused wealth management solution.
