Commenting on Intellect's performance, **Robin Amlôt, Managing Editor at IBS Intelligence** said, "It has been quite a year for Intellect Design Arena. For the sixth year in a row, the company retained the top spot in the Retail Core Banking category, performing strongly in the APAC region, followed by Africa and Europe. Intellect Design Arena also racked up its third year as leader of the Wholesale Transaction Banking category. The company was a clear leader here with a nearly equal number of deals from the Americas, Europe, and the Middle East. It was also the second year running that Intellect Design Arena held the top position in InsurTech. In fact, it is worth noting that Intellect Design Arena has held top slot in the latter two categories since both the InsurTech and Transaction Banking categories were first introduced to the IBSi SLT!"

He further added, "What's more, if all that were not enough, Intellect Design Arena also secured the **#1 position in Retail Banking Lending solutions**, emerging as a market leader in this category. Its share increased from 18% in 2020 to 40% in 2021! The company was also recognized as a Regional Leader for its Intellect iGCB and Intellect Digital Banking Experience platform in the ASEAN region, and as a Global Leader for the overall breadth and strength in depth of its product range. Together with a clutch of strong second place positions in other categories, Intellect Design Arena has demonstrated exceptional performance."

Expressing his views on emerging as a leader, **Arun Jain, Chairman and Managing Director, Intellect Design Arena Limited** said, “We are proud and humbled to win big at IBSi Sales League Table 2022 with six #1 Global Leadership positions.
