END-TO-END  
CUSTODIAN SERVICES

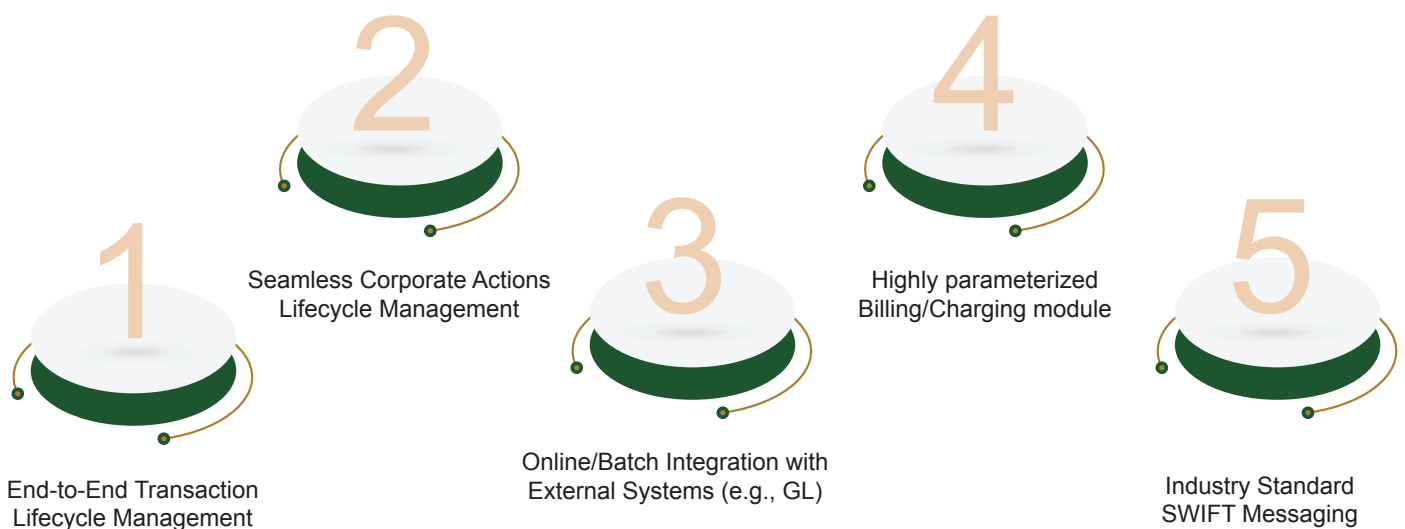

## Engagement overview

Jordan's second-largest financial institution, Bank of Jordan, forged a strategic partnership with IntellectAI to revolutionize its Custody and Clearing operations. Following a successful Proof of Concept (PoC), the bank chose to select IntellectAI as its trusted partner to drive operational excellence, leverage cutting-edge technology, and accelerate time-to-market. Together, they aimed to optimize processes, amplify business agility, and set a new benchmark for innovation in Jordan's financial landscape."

## Business Need

## Success Highlights

## Solution Implemented

Deployed the solution in a record-breaking 6 weeks, empowering the bank to launch operations swiftly.

1

The implemented solution serves as a critical driver for Straight-Through Processing (STP) capabilities.

2

Seamlessly supports both domestic and international clients.

3

The bank honored as the Best Custodian in the prestigious Global Custody Survey for the last 10 years

4

## Best practices followed

1

Facilitated an immersive workshop for the bank's custody operations team, ensuring a thorough understanding of product features and processes.

2

Implemented a bespoke solution in an unprecedented 6-week timeframe, which means 80% less time than the industry average.
